# About Trellis Wine Bar

We're excited to introduce Trellis, a locally woman-owned wine bar in Denver's historic Park Hill neighborhood, situated in a small retail development on an otherwise quiet tree-lined street. We offer a unique selection of lesser-known wines from small producers around the world in a modern, elegant, and plant-filled space.

Our mission is to help you create your dream event. Our entirely Gluten Free kitchen offers light hors d'oeuvres and charcuterie or if you're looking for something a little larger catered options are available through Trellis as well as the option to hire your own licensed caterer.

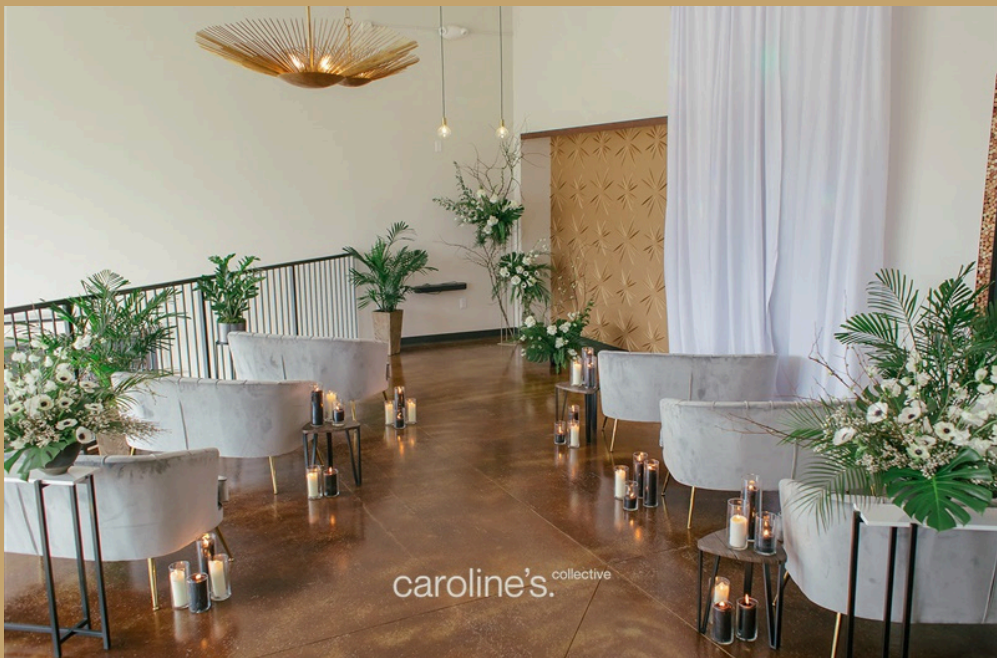

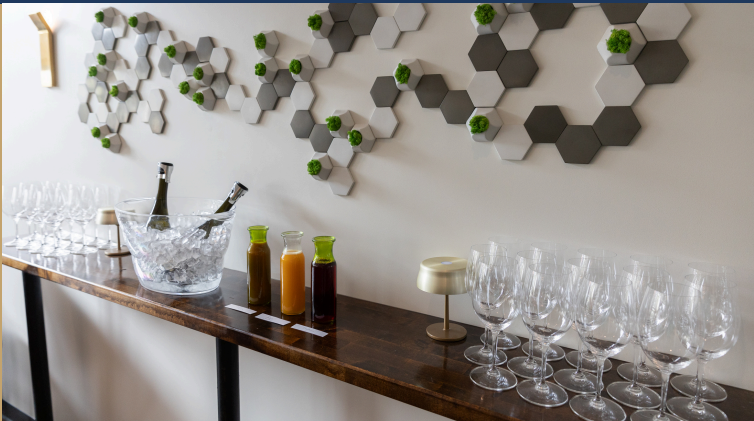

For a smaller event our beautiful, second-story venue, affectionately called The Canopy, could be just what you are looking for. This private, bright, and open-air space boasts comfortable seating and an intimate feel with plenty of room. Conveniently perched above our wine room and lounge, The Canopy provides a vibrant backdrop for a picture-perfect event.

If you're looking to host a larger event, such as a wedding, retirement party, or customer appreciation event, the entire space is available for booking.

We look forward to helping you host your next event!
