# About Trellis Wine Bar

Situated in Denver's historic Park Hill neighborhood in one of the hottest new retail developments in town, Trellis is a locally owned wine bar featuring a selection of unique and lesser-known wines in a light-drenched, green-filled, modern and elegant space. Our mission is to create your dream event, with our kitchen offering light hors d'oeuvres, or the option to bring in your own licensed caterer.

The Canopy is our beautiful, second-story venue overlooking Park Hill's new Fairfax Park. The private, bright and open-air space boasts comfortable seating and an intimate feel, with plenty of elbow room. Perched conveniently above our wine room and lounge, The Canopy is a vibrant backdrop for a picture-perfect event.
